MEMORANDUM FOR: Acting Chief, Agent Service Section

SUBJECT : Quarters Allowance for [REDACTED]

25X1A9A

REFERENCE : Memorandum for Office of General Counsel from Acting Chief, Agent Service Section, dated 17 December 1954, same subject.

1. Subject's contract, effective 1 January 1952, provides for compensation calculated at the rate of \$4,205 per annum. The offset clause states in part: "If you should receive any sums or substantially similar benefits or allowances required under the terms of this contract from your cover facility, such sums or similar benefits or allowances will be used to offset those due under this contract by CIA."

2. The contract was subsequently amended to authorize payment of a quarters' allowance, effective from the original date of the contract, at rates prescribed in the Standardized Allowance Regulations. Reference memorandum requested that you be advised "whether the quarters allowance authorized by the contract amendment is subject to the offset clause, or should be paid in addition to the \$3,000 minimum not subject to offset."

3. You are advised that the quarters allowance is fully subject to the provisions of the offset clause. In this type of offset clause, pecuniary emoluments from the cover facility are offset collectively against the collective allowances and salary paid by the Agency. The amendment authorizing payment of a quarters allowance dates from the effective date of the contract and is effected by the offset provisions as if it had been included in the original contract.
